Dear Parents and Carers,

### **Comic Relief**

This Friday is Comic Relief Day, so we wanted to let you know that the children can wear red themed mufti clothing and bring in as many copper coins that are less than 50p as you can find lying around your house to cover a giant red nose in the playground. Many thanks for your support.

### **Smart School Council**

We launched the smart school council with the whole school in September which involves every child in discussions. We have now launched our communication team in which children in Years 5 and 6 who have applied for the post have a crucial role to play. We have had our first two meetings and the children have been amazing – they have decided on the next school council direction, are planning action teams in KS1 for litter picking, planning to ask the whole school how they would like to raise money for the Ukrainian refugees, liaised with staff as to the roles they can play and are developing a notice board! If you want to know more about how this system works then follow this link: <https://home.smartschoolcouncils.org.uk/>  
There are some good videos on the web page which are very informative.

### **Children's University Re-launched**

We're really pleased to re-launch our Children's University scheme after a covid-break! This is a scheme run by Plymouth University that is designed to encourage children to take part in extra-curricular activities. If you sign up to the scheme, your child will be issued a booklet whereby they can record the hours spent doing such activities. Once certain milestones are passed, they will receive certificates, and the culmination of the scheme is a graduation ceremony at Plymouth University (covid-allowing). If you are interested please email Rebecca and she can give a sign up sheet to your children to bring home.

Kind regards

Hilary Priest
