## **Overall intent for Years 3 and 4 writing**

Below are brief bullet points outlining our intent for writing diet for our Year 3 and 4 children.

A writer in Year 3 and 4 will be able to:

- Confidently apply the majority of the Y3/4 EGG sheet objectives.
- Write with willingness and enthusiasm.
- To enjoy writing.

Our aspirations and expectations for Year 3 and 4 are:

- That children in Y3/4 love writing and take pride in their writing.
- That children in Y3/4 are motivated to write for pleasure and outside of school.

Our cohort this year means that we have adapted our planning to ensure:

- We had a slower start to encourage children to find pleasure in writing.
- Year 3's particularly came with a poor growth mindset and need lots of time and encouragement.
