World War Two day for Year 5 and 6

Yesterday, Year 5 and 6 received notification that the bombing in the area had increased and that they were to be evacuated. Following a hurried departure, they had to endure a strict drill carried out by Captain Tye before boarding the steam train to Buckfastleigh. Once they had arrived in the country, they discovered games that they would have played during WW2, they had the opportunity to sit in an Anderson Shelter (cramped and cold) and wandered around the museum. The children then returned to school by train. A fantastic day; fun and insightful.

THE GROVE SCHOOL WHATSAPP COMMUNITY

As a school, we are always looking for ways to improve our communication. As we all know, Whatsapp can be a very useful way to quickly and efficiently communicate information to a core group of people. We are new to the idea of Whatsapp Community. The idea is that there is a large community of people who are all connected in the same way - you all have a child or children who attend The Grove. Within that community, there is a need for everyone to receive the same announcements and reminders but also there will be groups within that same community with different needs and interests. You can be part of the whole community and then join groups that you are specifically interested in. For example - you may be a parent who has a child in Year 2 and a child in Year 5 and are also interested in PTA events. You would join The Grove School Community and then add yourself to the groups - Year 1 and 2, Year 5 and 6 and PTA. You can add and remove yourself as your children move into different year groups.

The purpose of the Community is information giving, sharing and celebrating. If you would like to raise any questions or concerns that are more personal, please email school directly.

As you can appreciate, this is all very new to us and we ask for your understanding and support whilst we get The Community up and running. If you have any ideas for ways in which it can be improved or groups you would like to see, please let us know via email.

If you feel that you would like to become a member of The Grove School Whatsapp Community, please use the link below.

When you join, you will see that there are no groups set up YET. We are giving people Tuesday 23rd to join The Community and then we will set up the groups and the invite links needed to join each group - watch out in the newsletter for this information.

Thank you for your continued support and understanding.

Could you volunteer at school?

We are looking for a wide range of skills and life experiences that could enrich school life. We want children at The Grove to have rich, diverse and stimulating experiences whilst at school. We would love to know more about our Grove school community and what skills, experience and personal passions you could share with our children. By filling this Google Form out you are not committing to any specific volunteering or projects but we may contact you in the future.

WE WOULD BE VERY GRATEFUL IF YOU TOOK THE TIME TO FOLLOW THIS LINK AND FILL IN THE FORM.
