Dear Parents and Carers,

PTA Mufti Day

This Friday 30th April will be a mufti day with donations of £1 going towards to PTA. The theme is Fun Bank holidays!

National review into sexual abuse

We were glad to have been asked to be one of the 30 schools nationally to be involved with the national review into sexual abuse of young people that Ofsted have been commissioned to produce for the government. This is such an important review nationally and we are pleased that the government are looking more closely into this issue for our young people. Over the last 2 days we have been joined in school by 2 Ofsted inspectors to discuss school practice and policy with regard to safeguarding, the Personal, Social, Health, Mental health and Economic curriculum including Sex and Relationships education. This was not an Ofsted inspection and there will be no mention of our school in the review or any outcome or grade given. We are always reassured to reflect on our own safeguarding practices with external agencies and we were additionally reassured that no concerns about our practice were raised. They particularly enjoyed talking to some of our children who they found all to be very polite, articulate and reflective.
