

## Year 3/4 Homework Tasks

### Art

We are always doing self-portraits in school but can you do a portrait of someone at home? Perhaps take some inspiration from this website:

<https://littlebinsforlittlehands.com/artist-for-kids/>

### Geography

Draw a map of your local area - can you look up the OS map symbols and include them?

### Maths

Can you make a times table board game? Put times table questions on different squares, you could use one of these templates:

<https://haytorview.devon.sch.uk/wp-content/uploads/Create-my-own-board-game-template.pdf>

### Reading

Write a book review for a book you have recently finished. Remember to include some rave reviews and a 5 star rating.

### Music

Listen to a piece of music and create a creative response to it: can you hear a story? Does it sound happy or sad? What colours does that suggest?

### P.E.

Can you create yourself a work-out routine to keep fit? You might be inspired by Joe Wicks or Jump Start Johnny, maybe you'll do your exercises to a music track?
