**Here are the essentials in summary:**

- ☺ Reminder that school opens at 8.45 am and gates close at 8.50 am
- ☺ Playground help – Sunday 1<sup>st</sup> March
- ☺ Food For Children – requests for bags please
- ☺ Potential role in school

**More info on all these below or ask at the front desk**

**PLAYGROUND HELP - SUNDAY 1st MARCH from 10am**

Are you free and up for volunteering to help transform our playground? There is so much that has already been done and also so much more left to do!

Jobs will range from painting, constructing a sandpit, re-inventing our roof terrace and more.

The PTA are going to put on food to help keep spirits high and entice you to join in!

If you are free and able to help, please email me so that we know numbers (let me know if you are vegetarian or have any other food requirements too).

**THANK YOU**

**Food For Children - bags request**

Do you have any spare bags for life you could donate for Food For Children? This not-for-profit organisation supports low income families during the school holidays with food parcels in place of school dinners.

If you have any you can spare, please drop into reception. Many thanks.

### **Potential role in school**

We are seeking interest in anyone keen to know more about working within the internal alternative provision (The Oak Room) we are trialling in school. Training will be provided but anyone interested would need patience, be compassionate and calm when working with children with neurodiversity and special needs. Please email me at [head@the-grove-primary.devon.sch.uk](mailto:head@the-grove-primary.devon.sch.uk)

### **SEND Community Provision led by Joel McIlven and The Grove SEND Team – change of time to note**

We are excited to be piloting a 'Community Provision' programme at The Grove this term. This idea emerged from meetings of The Grove Community Parent SEND Group over the past few months.

We want to:

#### **1. Bring people together to increase our collective understanding of SEN and neurodivergence**

We will run a structured programme open for anybody interested in learning more about SEN and neurodivergence. This will be an opportunity to learn about and share knowledge, experience, challenges, science and theory, behavioural presentations, strategies, resources and government policy. Sessions take place in school on Tuesday afternoons 1:30-3:00.

#### **2. Come together as a community to support The Grove to help meet the needs of the children at the school**

The structured programme will also act as a platform to develop a pro-active and collaborative resource of parents and community members providing in-school provision to help meet the needs of all children at The Grove. Some parents or carers are already volunteering time to support the additional needs of their children, others may have time they would like to contribute, this will be an opportunity to have a meaningful local impact.

**If you are interested in attending sessions, volunteering, or just learning more about the plans, please come along next week, or email.**

### **Holiday Club – 16<sup>th</sup> – 20<sup>th</sup> February**

We're delighted to share that our holiday club will be running during the February half term. To secure your child's place, we encourage you to book in advance as spaces are limited.

**Important consultation on Library Cuts – Please respond and share.**

Devon County Council have issued a survey called ‘Shaping the Future of Devon’s Library Service’. <https://devonlibraries.commonplace.is/> or google ‘Devon Library consultation’.

Have your say on the proposals by 22nd Feb – you don’t have to be a library member.

There is a main survey and a short one for under 16s, which could be completed for young children by an adult. Every response shows the council that we care.

For a local perspective on the survey please check out ‘Friends of Totnes Library’ on Facebook or Instagram.

The Council, library staff and the Friends of Totnes Library ask everyone, whatever your views, to engage in the Survey. Also, that you spread the word in person and on social media about the consultation. A paper version is available at Totnes library. Thank you!
