

## promises to.....

- Do my best to help each student achieve their musical goals.
- Provide a positive and fun learning environment where beautiful music will be made.
- Teach students *how* to practice effectively.
- Teach students using a well-rounded approach including music theory, proper instrumental technique, variety of repertoire and support with exam entry if required.
- Provide clear information to students & parents each lesson via the students Practice Diary.
- Teach the *individual* & adjust my teaching to their needs, strengths & weaknesses.

## Parent/Carer promises to...

- Ensure my child has all necessary books/their instrument for each lesson.
- Agree a regular practice time & provide my child with an instrument & a comfortable place to practice, in an environment free from other distraction.
- Sit with my (young) child each practice session to help them (up to age 7).
- Sit with my (older) child once a week to help them practice (age 7 upwards).
- Encourage my child in their music practicing in a positive way.
- Provide a variety of opportunities to listen to great music *of different genres* – in the car, at home, on the radio, at live performances.

## Student promises to.....

- Bring all books and my instrument (piano excluded!) to each lesson.
- Read the notes my teacher makes in my Practice Diary each week & make sure I complete the tasks listed.
- Decide on a practice schedule (at least 3 times weekly) and mark off practice in my Practice Diary.
- Consider the quality of my practice, using the good techniques and strategies taught to me.
- LISTEN – to the music I produce with my instrument, as well as attentively in lessons and to music made available within my environment.
- Arrive at lessons with a great, positive attitude, ready to learn and make wonderful music.
- Tell my teacher if I do not understand so that she can help me before I leave.
